

HCP Wiki - Public Data

The HCP Confluence platform was updated on May 15, 2017. If you have any trouble finding or accessing content, please contact us at info@humanconnectome.org.

Welcome to the HCP Wiki

Here in the HCP Data Wiki, you will find additional resources that are updated between data releases and as issues are discovered. Detailed information on each data release is also available in the [Documentation section of the public HCP website](#).

Resources for Public HCP Data Users
